

MOBILE WALLET & PERSON TO PERSON PAYMENT OPTIONS

Link your First National Bank checking account.

We know that you have many options for making payments and at First National Bank, we want to support your preferred payment solutions. Many of our clients utilize the following services and this tool will help you to link your First National Bank account to your service of choice.

Mobile Wallet is a digital means of keeping your payment information ready for use on your smartphone. First National Bank now allows you to add your First National Bank debit card to your mobile wallet so you can use it to make payments anywhere Apple Pay or Google Pay are accepted.

1. Open your **Wallet App** to add your debit card.
2. Tap **Set Up Apple Pay Cash**.
3. Tap **Continue**.
4. Tap **Agree** after reading the displayed Terms and Conditions.
5. Tap **Add Debit Card**.
6. Enter in requested information to verify your identity, then tap **Continue**.

To add your Bank Account (after adding your debit card):

1. Open **Settings** on your mobile phone.
2. Tap on **Wallet & Apple Pay**.
3. Tap on **Apple Pay Cash**.
4. Tap **Transfer to Bank**.
5. Tap **Add Bank Account**.
6. Enter the 073902274 for bank routing number and your account number, then tap **Next** in the top right corner.
7. Re-enter the bank's routing number and your account number to confirm your information, then tap **Next** in the top right corner.

1. Open your **Google Pay App** to add your debit card.
2. Tap **Send** at the bottom of the screen.
3. Choose the person you want to send money.
4. Enter the amount you want to send. Tap **Send**.
5. On the confirmation page, tap **Change** next to the Payment Method section.
6. Tap **Add Bank Account**. Type the name of the account and select the account type.
7. Enter 073902274 for bank routing number and your account number, then tap **Save**.
 - If Google prompts you to sign into your Online Banking profile, do so.
 - Otherwise, tap **Test Deposit**. Google will make a small deposit into your bank account in 1-3 business days. After you receive payment, open the Google Pay app and tap **Verify Your Bank Info**, entering the deposit amount when prompted.

Person-to-person payments (P2P) is an online technology that allows customers to transfer funds from their bank account or credit card to another individual's account via the Internet or a mobile phone.

1. Open your **Facebook App**.
2. Tap the **Menu** icon in the bottom of the screen.
3. Tap **Settings**, then tap **Payment Settings**.
4. Tap **New Credit** or **Debit Card**, then enter your card number, expiration date, and 3-digit verification code. Tap **Save**.
5. To add a PIN, follow steps 1-3 again, then tap **PIN**.
6. Enter your 4-digit PIN, then re-type your PIN to verify and enable it.

1. Open your **Venmo App**.
2. Tap the **Menu** icon in the upper left hand corner of the app.
3. Tap **Settings**, then **Payment Methods**.
4. Tap **Add a bank or card**, then **Bank**.
5. Select **Manual Verification**.
6. Enter 073902274 for bank routing number and your account number.
7. In 1 to 3 business days, Venmo will send microtransfers to your bank account to verify ownership (these will be less than \$1 each). When Venmo issues these microtransfers to your account, they will also issue two small withdrawals to offset those. **To avoid any overdraft or other bank fees make sure you have at least \$2 in your bank account.**
8. After you have seen the microtransfers process through your account, return to the Venmo app to verify the deposits. Click on payment methods. Choose your FNB account and verify the two small deposits.

1. Open your **PayPal App**.
2. On your mobile device tap **Menu** (icon looks like a gear), then **Wallet**.
3. Click **Banks & Cards**, click the + sign in the top right.
4. Click **Bank Account**.
 - Select type of account: **Checking** or **Savings**.
 - Enter 073902274 for bank routing number and your account number, then click **Agree and Link this Bank**.
 - Verify that your routing and account number are correct and click **Continue**.
5. In 2 to 3 business days, review your bank statement to find 2 small deposits (each between \$0.01 and \$0.99 USD) that was sent by PayPal. There will be a third entry on your statement combining these two amounts as a withdrawal. For example, you may see two deposits of \$.05 and \$.15 and a withdrawal of \$.20. Enter the 2 small amounts, in this example this would be \$.05 and \$.15, on the confirm bank screen.

1. Open your **Cash App**.
2. Tap the dollar amount at the top of the screen.
3. Tap **Cash Out**.
4. Tap **Standard (1-3 Business Days)**.
5. Scroll to the bottom and tap **Other**.
6. Enter 073902274 for bank routing number and your account number, then tap **Next**.

*FNB does not currently offer Zelle, therefore the person you want to send money to, or receive money from, must have access to Zelle through their bank or credit union.

1. Open your **Zelle App**.
2. Tap the **Gear Icon** in the top left corner.
3. Tap **Account**. Tap **Switch Accounts**.
4. Select your bank's name from the list.
 - FNB is not listed, so tap **Don't See Your Bank**.
 - Enter your debit card number, expiration date, and 3-digit CVV code.

*While you can link your First National Bank accounts to any of these convenient payment options, we are not associated with nor do we endorse a specific vendor. If you have any app specific questions, please contact the payment vendor directly.
